

Put In Your 2¢ Worth...

About 2¢ a drink yields \$44 million annually to reduce the impact of alcohol problems in Missouri.

Question:

The government WARNING labels on cans and bottles of booze are kind of boring. Can't they come up with something more imaginative?

Answer:

Quite possibly, though they may not meet the legal requirements. A number of alternatives have been suggested (see below).

MISSOURI ALCOHOL IMPACT FACT #58

- WARNING: The consumption of alcohol may make you think you are whispering when you are not.
- WARNING: The consumption of alcohol is a major factor in dancing like an idiot.
- WARNING: The consumption of alcohol may cause you to tell your friends over and over again that you love them.
